

# Appendix C: Sample Agreement

Available for download from <http://www.heritagepreservation.org/CAP/current.html>

This agreement is for the Conservation Assessment Program (CAP) assessment of *[Institution Name]* (here after referred to as Museum). The CAP report will cover all the issues relevant to an assessment, including but not limited to (1) general institutional information, (2) staffing, (3) building and facilities, (4) climate control and environment, (5) collections and collection policies, (6) exhibitions, (7) storage, and (8) emergency preparedness, and will contain a prioritized summary of needs. The Assessor's work on this project will be considered work for hire, and the report and related materials, including verbal, e-mail and other communications, produced shall be deemed to be the property of the institution. The Museum's staff will be on-site and available during the Assessor's visit to assist the Assessor as may be needed. The Museum will arrange for a short orientation session with the director and, where feasible with one or more members of the Museum's governing authority, e.g., Board of Directors, at the beginning of Assessor's visit and an exit interview prior to departure.

Supplementary materials not included with the site questionnaire sent to the Assessor by Heritage Preservation will be available on-site. The Assessor will inform the Museum if any additional information is required to assist in writing the report.

It is understood and agreed that Heritage Preservation's sole responsibility is to administer the Museum's participation in this technical assistance program and the parties agree that Heritage Preservation assumes no additional responsibility or liability, unless it is expressly stated in writing by an authorized representative of Heritage Preservation.

If the terms of this agreement are in accordance with the Assessor's understanding of the scope of work of the assessment, the Assessor should sign one copy and return it to the Museum by *[date]* for approval and forwarding it to Heritage Preservation. An authorized Heritage Preservation representative will sign a copy of this Agreement and provide the Assessor and Museum with a copy.

### Below are the details for the assessment costs\*
