Heritage Preservation, home of the  
**Heritage Emergency National Task Force**,  
has FREE information resources to aid libraries,  
archives, museums, historic sites, and the general public.

**Find** links to professional preservation resources on Disaster Preparedness, Assessment, Response and Salvage, and Funding.

**Watch** videos on coping with water damage and dealing with soot from our award-winning *Field Guide to Emergency Response*. Use the handy checklists to aid your response.

**Understand** the federal process and download application forms from the *Guide to Navigating FEMA and SBA Disaster Aid for Cultural Institutions*.

**Follow** the latest news on current major disasters. When a region-wide disaster hits, the Heritage Emergency National Task Force serves as an information clearinghouse on damage reports and assistance efforts.

**Learn** how to work with your local emergency managers and first responders from tips on our poster.

**Join** libraries, archives, museums, and arts and historic preservation organizations across the country as they “Do One Thing” to prepare on MayDay 2009.
