

Lessons Applied Panel Profile

PANEL #1: PREPAREDNESS

Issue Areas Identified: Incentives for institutions to plan; education about insurance industry; identifying effective planning resources.

Potential Projects: Promote the use of SAA's MayDay concept; create schematic of local, state, and national preparedness responsibilities; create a short checklist of what it means to be prepared; prepare a case statement with case studies for local institutions to use with stakeholders and board members about why preparedness is important; develop incentives for preparedness; affect insurance policies; develop products to help institutions plan; support GIS inventory of cultural resources; identify needed areas of training (in preparedness, mitigation, and recovery).

Past Meetings: Friday, December 8, 2006, 9:30am – 1pm, Library of Congress
Conference call Thursday, February 8, 2007, 9:30am

Next Meeting or Conference Call: TBD
